THIS IS A NEW CONTRACT.

This is a multiple award contract. Please see MA1266, MA1267, MA1268 and MA1270.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

SERVICES

1. Medical interpretive services will be provided during regular daytime work hours, as well as on an emergency basis in accordance with the terms of the original request for proposal (RFP).
2. The contractor agrees to provide assurance to the requesting agency that the interpreter/translator is competent in their native language, as well as in English, in accordance with the standards established in the RFP.
3. The Contractor agrees to provide interpreters/translators who have a basic understanding of medical terminology in accordance with the terms of the RFP.
4. The Contractor agrees to provide specialized services such as a request for an interpreter of a specific gender, continuity of interpretive services (using the same interpreter for the majority of interpretive services for the same client), or other special situations.
